## Aim of the business delegation

The business delegation to WIN INDIA aims at providing small and medium sized companies a substantial overview of the Indian market, investment opportunities and incentive programmes in India. We provide first points of contact to companies in the industry, in order to enable decision-making towards entering the Indian market and establishing first contacts in this sector.

## Target Group

Target group of market exploration are small and medium sized German manufacturing companies from the areas of Automobile, Pharmaceuticals, Chemicals, Solar and Wind Energy, Agriculture Machinery, Construction Equipment Manufacturers, Metallurgy, Retail & e-Commerce, Warehousing & Logistics, Food Processing & Packaging and many more.

## Expenses

For delegates, other costs such as flight, hotel accommodation, visa, catering and logistics in India, will be charged extra. For more details, contact [b.patel@indus-media.com](mailto:b.patel@indus-media.com)
